

## **ADDENDUM 2**

### **Computer Programming/Software Solution for Fiscal Note and Performance Note Information Gathering, RFP No. 2012-06**

**August 16, 2012**

Regarding ownership of the SOFTWARE SOLUTION:

The LFA is willing to allow the successful responder to maintain ownership of the SOFTWARE SOLUTION for remarketing purposes if the LFA:

- receives a complete, unrestricted, copy of the SOFTWARE SOLUTION and the code for the SOFTWARE SOLUTION;
- receives a complete, unrestricted, copy of all versions of, and all changes to, the SOFTWARE SOLUTION and the code pertaining to all versions of, and all changes to, the SOFTWARE SOLUTION;
- may use, modify, copy, or otherwise manipulate the SOFTWARE SOLUTION for any reason, without obtaining permission from, providing notification to, or providing compensation to, the successful responder or any other person or entity; and
- may transfer a copy of the SOFTWARE SOLUTION and its code to any government entity in Utah with permission for that entity to exercise the same rights with respect to the SOFTWARE SOLUTION as held by the LFA (without obtaining permission from, providing notification to, or providing compensation to, the successful responder or any other person or entity).
